

St. Louis Chapter of ARMA International Presents

NOW, NEXT & THE FUTURE IN A CHANGING DATA WORLD

Michael S. Smith, Ph.D., IGP, CRM
Head of Data Governance/USCCM
Citigroup U.S. Commercial and
Consumer Mortgage

Mike is the Head of Data Strategy, Governance & Privacy for US Consumer, Commercial and Mortgage. He joined Citi in August 2015, and he brings over 18 years of extensive experience leading all aspects of data and information management from analytics to information security. Specifically, engaging in both business and IT to effectively govern their most critical asset—data.

He is an active industry thought leader at the Financial Information Management Association (FIMA) and the Enterprise Data Management (EDM) Council working on industry best practices. Mike holds a Bachelor of Science in Management and Management Information Systems, an MBA in Strategy and a Doctorate of Management in Organizational Leadership Information Systems and Technology and his dissertation focused on Critical Success Factors in Implementing Information Governance within An EIM Program. He holds eight industry certifications within the information management industry including Certified Data Steward (CDS), Information Governance Professional (IGP), Certified Information Professional (CIP), Electronic Content Management (ECM), Business Process Management (BPM), CDIA+, ERM and a Certified Records Manager (CRM).
